Discussion

OWNER: Wylie DPV, LP

APPLICANT: J. Volk Consulting

The applicant has submitted a Preliminary Plat for Dominion of Pleasant Valley Phase 7. Zoning for the single-family development was approved by the City Council as Planned Development Ordinance No. 2017-31 and amended in Ordinance No. 2020-54.

This plat includes 11 lots from the preliminary plat of Dominion of Pleasant Valley Phase 3, approved by City Council in March 2021. The reason for the change is that the development of these 11 lots was removed from the Phase 3 development due to an ATMOS gas line conflict. The gas line has now been relocated and development of the 11 lots can now commence.

In addition to the 11 residential lots mentioned above, there are two open space lots. The entire Dominion Planned Development allows for a maximum of 1,104 single-family residential lots. Within Phases 1-7 of the Dominion of Pleasant Valley Development there are 888 residential lots leaving 216 residential lots that can be developed in future phases.

The plat dedicates the necessary rights-of-way and utility easements. Open space lots are to be dedicated to the City of Wylie and maintained by the H.O.A.

The City Council must provide a written statement of the reasons for conditional approval or disapproval to the applicant in accordance with Article 212, Section 212.0091 of the Texas Local Government Code.
