### Discussion

**Owner: Rick and Helen Pearce**

**Applicant: Arnulfo Perez**

On August 25, 2022 the Commission tabled the item requesting clarification on why using stucco, if stucco will be below the windows and clarification on color of the paint. Although color of paint is not regulated by the Commission, the renderings of the paint color the Commissioners stated it was misleading.

The Owner/Applicant is proposing to construct a new residential dwelling on a single lot. In accordance with Ordinance No. 2022-34, any development proposing new construction or substantial renovation requires special oversight by the Commission to ensure preservation of the historic and architectural character of the area.

The applicant is proposing to construct a 1,516 s.f. single story residential dwelling on 0.23 acres (10,019 sf). The single-family dwelling will conform to the design standards of Article 6.3 as well as other city ordinances and guidelines.

The proposed style includes an open front gable roof with an 8:12 pitch with vinyl single-hung and fixed windows. The primary exterior material shall be horizontal wood siding with the width between four and five inches, in accordance with Section 6.3.E.5.f. The selected paint colors will be from an Historic Palette.

The design incorporates a covered front wood porch, as well as a covered rear wood patio. A 6' cedar picket fence will replace the existing chain link fence around the perimeter of the property.

Staff Recommends approval subject to additions and alterations as required by City Engineer and Building Inspections Department.
