

Wylie City Council

AGENDA REPORT

Department: Purchasing Department
Prepared By: Kirby Krol

Account Code: 611-5712-58850

Subject

Consider, and act upon, approval of the purchase of one (1) Valve Maintenance Trailer in the estimated amount of \$113,000 from Illinois Tool Works, Inc. d/b/a EH Wachs through a cooperative purchasing agreement with BuyBoard, and authorizing the City Manager to execute any and all necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

Public Works Water Divisions is requesting to purchase one (1) Valve Maintenance Trailer to replace the existing water valve machine.

This equipment will be utilized to exercise valves and remove debris from inside valve stacks. Exercising water valves in the water distribution system helps delay shutting off water during emergency repairs, increasing the productivity and efficiency of water main repairs.

Additionally, this equipment will assist staff in collecting data for water utilities and support corrections in GIS mapping for the location of water valves. Therefore, staff recommends the purchase of a Valve Maintenance Trailer in an estimated amount of \$113,000 from Illinois Tool Works, Inc. d/b/a EH Wachs through a cooperative purchasing agreement, providing the best value to the City.

The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code; and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
