

Wylie City Council

AGENDA REPORT

Department: Purchasing
Prepared By: Christopher Rodriguez

Account Code: _____

Subject

Consider, and act upon, the approval of the purchase of five (5) Chevy trucks for Public Works and Parks in an estimated amount of \$244,284.00 from Sam Packs Five Star Chevrolet through a cooperative purchasing agreement with BuyBoard and authorizing the City Manager to execute any and all necessary documents.

Recommendation

Motion to approve the Item as presented.

Discussion

The Public Works and Parks Department is seeking approval from the City Council to proceed with the purchase of five (5) Chevrolet trucks at an estimated total cost of \$244,284.00. This request comes in response to a recent severe hailstorm that resulted in significant damage to several departmental vehicles, five of which were deemed total losses by our insurance provider.

The replacement of these trucks is essential to maintaining operational effectiveness and ensuring that daily service delivery to the residents of Wylie continues without disruption. These vehicles support core functions such as infrastructure maintenance, park servicing, and seasonal operations. The timely acquisition of new trucks will allow our crews to remain fully equipped and minimize delays in project timelines.

The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 Subchapter F of the Local Government Code and, by doing so, satisfies any State Law requiring local governments to seek competitive bids for items.

Staff recommends the purchase of these trucks for Public Works and Parks through a cooperative purchasing agreement with BuyBoard as providing the best value to the City.
