Comments

Below is a clear, assertive public-comment statement you can use (or adapt) to oppose new construction planned near residential backyards. I've included a wide range of welfare-related concerns—privacy, noise, safety, property value, environmental impacts, etc.

Draft Comment Opposing Proposed Construction Adjacent to Residential Backyards

I am submitting this comment to express my strong opposition to the proposed construction planned directly adjacent to existing residential backyards. This project poses a number of significant negative impacts on the health, safety, comfort, and overall welfare of nearby residents.

1. Loss of Privacy:

The placement and height of the new structures would eliminate the privacy that homeowners currently rely on. Backyards are an essential part of daily living—used for family activities, relaxation, and personal space—and the construction would substantially intrude on this.

2. Noise and Disturbance:

Both the construction phase and long-term u
