Discussion

Under the approved budget for Fiscal Year 2023-2024, the Public Works Department was authorized to purchase one (1) Chevrolet one-ton utility body truck and one (1) Chevrolet Silverado 2500 pickup truck. Due to limited supply, these vehicles were carry-forward into Fiscal Year 2024-2025. These vehicles are for the maintenance staff in the Streets Department.

Staff recommends the purchase of these vehicles through the referenced cooperative purchasing agreement, as providing the best value to the City. The City is authorized to purchase from a cooperative purchasing program with another local government or a local cooperative organization pursuant to Chapter 791 of the Texas Government Code and Section 271 and by doing so satisfies any State Law requiring local governments to seek competitive bids for items.
