Discussion

OWNER: Woodbridge Townhomes I LTD

APPLICANT: Johnson Volk Consulting

The applicant has submitted a final plat to create 60 single family attached lots and two open space lots on 5.868 acres generally located on the southwest corner of Hooper Road and Hensley Lane. The preliminary plat for this development was approved in August of 2017.

The proposed subdivision is part of Planned Development 2018-19 and allows for an attached single-family development.

The plat meets the requirements of the Subdivision Regulations, including engineering review and fire code (by providing fire sprinklers within each residential home). All open space lots shall be dedicated and maintained by the HOA.

The plat is technically correct and abides by all aspects of the City of Wylie Subdivision Regulations. Approval is subject to additions and alterations as required by the City Engineering Department.

For conditional approval or disapproval City Council must provide a written statement of the reasons to the applicant in accordance with Article 212, Section 212.0091 of the Texas Local Gov't Code.
