

PROGRESS REPORT

CLIENT ORGANIZATION: City of Youngsville
CLINET REPRESENTATIVE: Mayor Ken Ridder
REPORT DATE: February 1, 2024 through February 31, 2024

E. MILTON AVE. CORRIDOR

PROGRESS DURING THIS PERIOD:

- Neel-Schaffer met with the City of Youngsville to present the first phase of improvements for the intersection of Chemin Metairie Pkwy at E Milton Ave. Information was provided for the impacts to existing drainage and existing utilities. The proposed roadway layout was also presented to show how it could improve existing traffic flow.
- The City of Youngsville is exploring different opportunities for funding the project.

ANTICIPATED WORK EFFORT DURING NEXT REPORTING PERIOD:

- Project on hold until City of Youngsville determines funding source.

LA 89 @ CHEMIN METAIRIE PKWY

PROGRESS DURING THIS PERIOD:

- Neel-Schaffer is waiting to receive feedback from the City of Youngsville on the preliminary plans and summary of quantities that were submitted in October.
- The City of Youngsville is exploring different opportunities for funding the project and also for short term improvements that can be made to the intersection.

ANTICIPATED WORK EFFORT DURING NEXT REPORTING PERIOD:

- Project on hold until City of Youngsville determines funding source.
