July 2, 2024

Mayor Ken Ritter  
CITY OF YOUNGSVILLE  
305 Iberia Street  
Youngsville, LA 70592

**Subject: 2024 Roadway Improvement Program Project Construction Bid Award**

Dear Mayor Ritter:

On Tueaday June 25, 2024 at 10:30 am at City Hall we received bids for the above referenced project. Two contractors submitted complete bids and appropriate paperwork for the project. We have reviewed the submittals and prepared the attached bid tabulations and found no errors in the bid packages. The low bidder was **Glenn Lege Construction, LLC** with a bid of **\$899,762.00**. The Engineer's estimate was \$947,000. This bid is below the engineer's estimate for the work and there are no errors in the bid we therefore, recommend award to Glenn Lege Construction, LLC for the above referenced project in the amount of **\$899,762.00**. The construction of the project will require full time inspection and materials testing in order to appropriately make recommendations for patching and milling due to the various depths of asphalt pavement on the roadways and any additional patching necessary since the original investigation and data collection of the patch locations. Therefore, we recommend authorizing a budget of **\$100,000** for full time inspection and materials testing which will be paid on a time and materials basis only as used. This would make the total project authorization cost for the City to be **\$1,138,352.04** which is itemized as follows:

Engineering:	\$ 78,590.04
Construction:	\$ 899,762.00
Contingencies	\$ 100,000.00
Inspection and Materials Testing:	<u>\$ 60,000.00</u>
<b>Total</b>	<b>\$1,138,352.04</b>

Should you have any questions, please feel free to contact our office at (337) 451-5823 if you have any questions.

Sincerely,  
McBade Engineers & Consultants, L.L.C.
