RE: 2024 Roadway Improvement Program

Dear Mayor Ritter:

A final walk through was performed on August 5, 2025 for the 2024 Roadway Improvement Program with the project engineer and the project inspector. The following remaining items were noted during the final inspection to be addressed by the Contractor:

- Full depth asphalt patching at the marked locations on Hwy. 92
- Pavement striping at the following locations:
 - Roundabout at Chemin Metairie & Hwy. 92
 - Roundabout at Bonin Rd. & Hwy. 92 (including north arm up to concrete pavement)
 - Curve of Hwy. 92 near Prescott Blvd.
 - Hwy. 92 from the Hwy. 89 roundabout to Young St.
 - Curve of 1st St. & Ave. B
 - Curve of Church St. & Railroad St.
 - Curve of Railroad St. in front of Public Works

McBade Engineers and Consultants, LLC recommends the project to be accepted as substantially complete and to initiate the 45-day lien period. Please place it on the next City Council meeting agenda. Attached is a Resolution of Substantial Completion for recordation and the Notice of Substantial Completion to publish as required.

Should you have any questions, please feel free to call our office at (337) 451-5823 if you have any questions.

Sincerely,

McBade Engineers & Consultants, L.L.C.
